Sheds at Government cost and pecuniary help to weavers at Melkote.

Mr. Varahaswami Iyengar of Sri Yadugiri Sadananda Vardhini Sabha

Summary of discussion.—The weavers at Melkote are very poor and the prevalence of plague has greatly dislocated their trade and consequently their condition has become worse. The Government will have to support the industrial class. It is therefore proposed that during outbreaks of plague, sheds may be constructed for them at the cost of Government and pecuniary help given to them either to be recovered from the sale proceeds of their products or on the security of solvent men among them.

Reply of Government.—The Deputy Commissioner, if applied to, will do what is required.

Subject No. 406.

Constitution of a Sub-Taluk with Melkote as Head-quarters.

Mr. Varahaswami Iyengar of Sri Yadugiri Sadananda Vardhini Sabha.

Summary of discussion.—The local condition of Melkote which was formerly healthy and well populated is becoming worse. Thefts which occurred in the temples have brought discredit. The presence of a Magistrate here will restore order. It is therefore proposed that a Sub-Taluk with Melkote as Head-quarters may be constituted transfering one or two hoblis from each of the Taluks of Krishnarajpete, Nagamangala, Mandya and French Rocks Sub-Taluk; if not, the Krishnarajpete and Nagamangala Taluks with the French Rocks Sub-Taluk may be grouped together as one Revenue Division and the office of the Divisional Assistant Commissioner established at Melkote, it being the central place.

Reply of Government.—This cannot be done.
